Berkshire pork is recognized all over the world for its perfect combination of juiciness, flavor and tenderness. The Berkshire Breed dates back over 300 years to the swine herd of the House of Windsor, where they were prized for their exceptional flavor. From British royalty to Asian emperors, the superb taste of Berkshire makes it an ideal choice for everything from tasty barbecued chops to moist delicious hams. One taste that stands the test of time.

美國極黑豚乃百分百純種Berkshire豬。Berkshire豬從十九世紀初就受到謹慎的品種挑選，以傳承純種的英國血統。美國 Heritage Pork 採用最天然的養殖方式，以純天然飼料飼養，不添加任何化學物。擁有如大理石紋般的脂肪紋路，使每件豚肉都帶著甜美且鮮嫩多汁的口感，而且不含瘦肉精的成份，令你吃得美味又健康！
